

CARESYNC HOSPITAL

Hospital Policies and Procedures Manual

Version: 1.0

Effective Date: January 1, 2026

Approved By: Hospital Administration Board

Page 1: Introduction

Purpose

This Hospital Policies and Procedures Manual establishes the operational standards, patient care guidelines, and administrative policies of CareSync Hospital. The purpose of these policies is to ensure safe, ethical, and efficient healthcare services while maintaining compliance with healthcare regulations and accreditation standards.

Scope

These policies apply to:

- All hospital employees
- Physicians and consultants
- Nurses and allied health professionals
- Administrative staff
- Contract workers
- Volunteers
- Patients and visitors

Mission Statement

To provide high-quality, patient-centered healthcare through excellence in clinical care, innovation, compassion, and continuous improvement.

Vision Statement

To become a trusted healthcare institution recognized for quality, safety, and patient satisfaction.

Page 2: Patient Rights and Responsibilities Policy

Patient Rights

Every patient has the right to:

1. Receive respectful and dignified treatment.
2. Obtain information regarding diagnosis and treatment.
3. Participate in treatment decisions.
4. Privacy and confidentiality of medical information.
5. Access medical records as permitted by law.
6. Refuse treatment after understanding consequences.
7. Receive emergency care without discrimination.
8. File complaints without fear of retaliation.

Patient Responsibilities

Patients are expected to:

1. Provide accurate medical information.
 2. Follow treatment plans.
 3. Respect healthcare staff.
 4. Follow hospital rules.
 5. Meet financial obligations.
 6. Inform staff about changes in condition.
-

Page 3: Privacy and Confidentiality Policy

Objective

Protect patient information and comply with applicable healthcare privacy regulations.

Policy
